USSVI Thresher Base News

March 2011

January 2011 Minutes

The January meeting of Thresher Base was held at Newick's Restaurant in Dover on January 15. The meeting was called to order followed by a silent prayer and pledge of allegiance. The Tolling of the Bells was conducted for those boats lost in January and February. A silent prayer was said for those on eternal patrol.

A sound off of those present was conducted - There were 19 veterans and 12 spouses. Tom Shannon, D1 Commander and Mark Clark, Marblehead Base were in attendance along with

Secretary's Report - The minutes from the November 2010 meeting were read and approved.

USSVI Thresher Base

USSVI Thresher Base was chartered on 15 November 1989 in the memory of those 129 gallant men who at 9:17 AM on 10 April 1963 lost their lives in the performance of their duties aboard USS THRESHER (SSN 593).

Our mission is "to perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. Pledge loyalty and patriotism to the United

States Government."

The base newsletter, *Thresher Base News*, and base website, www.thresherbase.org, are used to inform the membership and community about meeting happenings and upcoming events. Any member who has information to share with the membership is encouraged to submit articles to the editor for publishing. Send submissions to Kevin Galeaz, Editor, 1465 Hooksett Road #239, Hooksett, NH 03106 or thresherbase@comcast.net.

Guy Carrington Parsons, Jr., was born in New Rochelle, New York, on December 23, 1937, the son of Mr. and Mrs. Guy C. Parsons of White Plains, New York.

He spent his early boyhood in White Plains and attended local schools there. While attending White Plains High School, Guy participated in sports, received letters in tennis and swimming, and was a

member of the honor society.

He entered the U.S. Naval Academy at Annapolis, in June 1955, where he was a member of the varsity squash team, and where he received a letter in tennis. Graduating with the class of 1959, he received his first assignment as an ensign in the destroyer U.S.S. Waldron (DD 699). In September 1960, he volunteered for submarine duty and upon being ac-

cepted, he entered the Submarine Base, New London, Connecticut. Successfully completing the course of instruction, Guy was selected for advance training in nuclear power. In September 1961, he attended the Naval Nuclear Power Training Unit at Windsor Locks, Connecticut, and in March 1962, he was assigned to the U.S.S. Thresher (SSN 593).

He is survived by his widow, the former Marjorie Cochran of White Plains, New York; a son, Guy C. Parsons, III; and his parents, Mr. and Mrs. Guy C. Parsons also of White Plains.

Roscoe Cleveland Pennington was born on October 3, 1924, in Fort Worth, Tex., the son of Mr. and Mrs. Willie Pennington, now deceased. He spent his early boyhood in Fort Worth and attended local public schools there prior to entering the naval service in January 1943.

A veteran of 20 years service, Roscoe was assigned to submarine duty during World War II, and participated in six war patrols in the submarines U.S.S. Sea Dragon (SS 194), and U.S.S. Spikefish (SS 404). He also served in the U.S.S. Sea Dog (SS 401), U.S.S. Tilefish (SS 307), U.S.S. Cusk (SS 348), U.S.S. Chivo (SS 341) and U.S.S. Ronquil (SS 396), and saw service in the Pacific area during the Korean conflict.

In May 1960, Roscoe was assigned to the Portsmouth Naval Shipyard, where he served as electrical division chief. With the introduction of nuclear power to the submarine force, Chief Pennington was one of the first to be selected to attend the various nuclear power schools, both military and civilian. In

June 1961, after completing nuclear power training, he was assigned as leading chief reactor technician in the U.S.S. Thresher (SSN 593), and in September of the same year he was sent to the David Taylor Model Basin in Washington, where he assisted in evaluating his ship's performance.

Because of his outstanding performance of duty as a submariner, and his knowledge of the submarine nuclear power program, Chief Pennington was selected to join a group to represent

the submarine force in the form of a motivation team. The team toured the country to inform high school students of the opportunities available to them in the Navy's nuclear power program.

During his 20 years of service, Chief Pennington was awarded the Submarine Combat Pin, Good Conduct Medal,

Asiatic-Pacific Medal, American Theater Medal, American Defense Service Medal, Navy Occupation Medal with Asia Clasp; and the Korean Service Medal. He was also entitled to wear the National Defense Service Medal and the World War II Victory Medal.

Chief Pennington is survived by his wife, Mrs. Doris V. Graham Pennington of Charlotte, N.C., and a son, Gregory by a previous marriage.
